

THE "EVOLUTION WALL POSTER" PROJECT

—a special initiative promoting sound science education

The Brights' Net

Teacher's Request Form and Agreement

"EARTH AND LIFE: CHANGES OVER TIME"

Poster sponsorships by Brights and others enable The Brights' Net to supply wall posters free to high school teachers who agree to use the poster to enhance their teaching of evolution to students.

Instructions to Applicant:

1. Please carefully examine the pictorial to gauge its usefulness to your teaching
2. Assess its suitability for posting (*i.e., consider the size dimensions and your classroom setting*)

To be placed in the queue for a poster, print out and complete this form, providing all requested information. Mail the completed and signed form to The Brights' Net (*postal address is at bottom*).

Please **print** carefully!

TEACHER AGREEMENT

I am a science teacher at the above named high school. Having examined the pictorial "*Earth and Life: changes over time*," I am confident that this classroom resource will be useful to me in my teaching. I realize that the wall poster is to be provided at no cost because I will be posting and using it in the classroom while helping my students learn about evolutionary change.

I teach ____[#] science classes a day for a total of ____[#] students in my classroom daily.

IMPORTANT NOTE TO APPLICANTS

We would like to notify and thank the donor who has paid for printing your poster, so please supply here **↑** the "sponsor code" IF ANY HAS BEEN PROVIDED TO YOU! Because supplies are limited, first priority for poster distribution goes to sponsor-designated teachers. When you have reached next in line to receive a poster, you will be notified by email (in advance of shipping) to confirm continued interest. Any teacher receiving a poster should expect a later follow-up inquiry as to specifics of its curricular and classroom use.
